

ILCCBD Fall Institute

September 15, 2018

Crowne Plaza Springfield

8:30 am – 1:00 pm

Registration begins at 8:00 am.

Keynote Presentation

Presented by: Tom Reilly

***WHY WON'T SOMEONE THINK OF THE CHILDREN?  
DEPRESSION AND SUICIDE***

This session is designed to provide participants with information related to how depression and suicide impacts school personnel, including children, adolescents, teachers, and administrators. Symptoms, strategies for intervention, psychological and physical safety issues, and the role of positive teacher-student relationships will be presented.

Session 1

***A Voice from the Classroom***

Presented by: Jayme Corcoran

This session, presented by an ED teacher will focus on assessment, relationships, setting boundaries, and writing behavior goals.

Session 2

***Emerging Teen Drug Trends***

Presented by: Deborah Kuhns

Participants will receive an update on what legal and illegal drugs are being used by adolescents and young adults. Also addressed will be signs and symptoms of alcohol and drug use. Gateway Foundation is a non-profit drug and alcohol treatment provider.

Session 3

***Administrator and leadership team impact on PBIS practices***

Presented by: Michael Scaletta

***Professional Development Credits Offered!***
